New medicines such as anti-cancer drugs and new antibiotics have cured many (۳۱) Some technological inventions have helped doctors to check people's health (۳۲) They have found keys to the secrets of the human body. New technologies have helped doctors to understand how diseases (۳۳) They have found ways to fight and stops diseases in their early stages. Technology, as some people may think, is not a bad thing at all. The way we use technology, is important.</p>	۱۱
۲	<p>متن زیر را بخوانید و به سوالات داده شده هر قسمت پاسخ دهید.</p> <p>Passage ۱</p> <p>At noon, the small group of students and their principal reached the height of ۲۵۰۰ feet. At this point, the group had to stop climbing because one of the students became seriously ill. The only thing the principal could do was to telephone the police. The Royal Air Force sent a helicopter with a policeman and a doctor who soon arrived on the scene. The sides of the mountains were such that <u>it</u> could not land. A helicopter usually lands on four wheels, but it can land on two. But the pilot could hardly land on two wheels, so he decided to keep the helicopter in the air with only one wheel touching the mountain side. The sick boy was taken to the nearby hospital successfully.</p>	۱۲

۳۸.	The underlined "it" refers to the a. mountain b. doctor c. Air Force d. helicopter	

۴	<p>متن زیر را بخوانید و به سوالات داده شده هر قسمت پاسخ دهید.</p> <p style="text-align: center;">Passage ۲</p> <p>About one hundred years ago, many people learned and spoke French when they met people from other countries. Today, most people speak English when they met foreigners. It has become the new international language. An international language is a language for communication between people from different nations who do not have a common native language. There are more people who speak English as a second language than people who speak English as a first language. Why is this?</p> <p>There are many reasons why English has become so popular? One of them is that English has become the language of business and without it, it is hard for the businessmen to enter an international market. Another important reason is that English is the language of science. Before the second World War, scientific publications were in French, German and English. This made some problems: if scientists wrote in their own languages, they would miss out on or fail to use others' discoveries. With an international language, researchers know what to expect, and how to find information. Therefore, after ۱۹۴۰s most science books and articles published in English.</p> <p>۳۹. What is an international language?</p> <p>۴۰. Why should businessmen learn English?</p> <p>۴۱. French was an international language about ۷۰ years ago. a. True <input type="checkbox"/> b. false <input type="checkbox"/></p> <p>۴۲. English has more native speakers than learners. a. True <input type="checkbox"/> b. false <input type="checkbox"/></p> <p>۴۳. Miss out on is synonym of a. use b. try c. lose d. seek</p>	۱۳
